This typical analysis is not to be construed as product specification. Typical analysis represents average values, not to be considered as guarantees, expressed or implied, nor as a condition of sale. The data listed under typical analysis are subject to the standard analytical deviations. The product information contained herein is correct, to the best of our knowledge. As the statements are intended only as a source of information, no statement is to be construed as violating any patent or copyright.

TYPICAL ANALYSIS
Mealy / Half / Glassy ......................... 95% / 5% / 0%
Plump ................................................................. 70%
Thru ................................................................. 5.0%
Moisture ......................................................... 2.5%
Extract FG, Dry Basis ........................................... 72.0%
Color ................................................................. 40 SRM

ITEM NUMBER
7059 .................................. Whole Kernel, 50-pound bag

CERTIFICATION
Kosher: UMK Pareve

STORAGE AND SHELF LIFE
Store in a temperate, low humidity, pest free environment at temperatures of <90 °F. Improperly stored malts are prone to loss of freshness and flavor. Whole kernel Roasted Malts may begin experiencing a slight flavor loss after 18 months.

APPLICATIONS
Intense toasty and biscuity flavors for a wide variety of beer styles

MALT STYLE
Biscuit-style malt

SENSORY CHARACTERISTICS
Color ................................................................. Deep golden to brown hues
Flavor ................................................................. Toasty, biscuity, bran flakes, sourdough, tangy

SUGGESTED USAGE RATES
5-10% Excellent in IPA, ESB, Amber, Nut Brown Ale, Porter, and other dark beer styles

AVERAGE SENSORY PROFILE*

CHARACTERISTICS
- Drum-roasted biscuit-style malt
- More deeply roasted then Victory® Malt
- Produced from a proprietary malting/roasted process that kicks up the intensity of the toasty and biscuity flavors
- Develops noticeable bran flake notes and creates its distinguishing bold sourdough/tangy flavor

*The average sensory profile shows the intensity of flavors and aromas perceived in a Hot Steep wort by the Briess Malt Sensory Panel. Usage will influence how these flavors are perceived in the final beer.
